

Notes

- 01. 'Bow-tie' sign formed from 3mm powder-coated aluminium with built up returns and white opal acrylic diffuser to rear.
- 02. 'Krispy Kreme' script formed from 6mm red satin acrylic bonded to fascia panel.
- 03. White background of 'bow-tie' sign to be painted directly onto centre of new timber fascia.

05. Staggered cool white LED's fixed to rear of sign to provide diffused overall even halo illumination. LED driver to be located remotely.

(02) AC[04] 06. White spacers to pin off sign cases. Spacers to be mechanically fixed to shopfront fascia and also allow for power cables to route through cladding. Contractor to ensure all cables are not visible.
