DRAWING FOR PLANNING PURPOSES ONLY

NOTE: All dimensions must be checked on site prior to commencement of works. Figured dimensions take precedence over dimensions scaled off of the drawing. Contractor to ensure that the materials specified are used, if alternatives are proposed, check with designer before proceeding. In any event all workmanship and materials must comply with approved document 7. Any discrepancies between elevations and plans must be checked with designer before commencing work. The designer accepts no responsibility for works undertaken without full plans approval from building control.
