Dear Messrs Vicary,

CERTIFICATE B- Town and Country Planning (Development Management Procedure) (England)
Order 2015 Certificate under Article 14
Proposed New Farm Building on the Land at Cooper Corner
Applicant Mr. & Mrs. G. Wilton

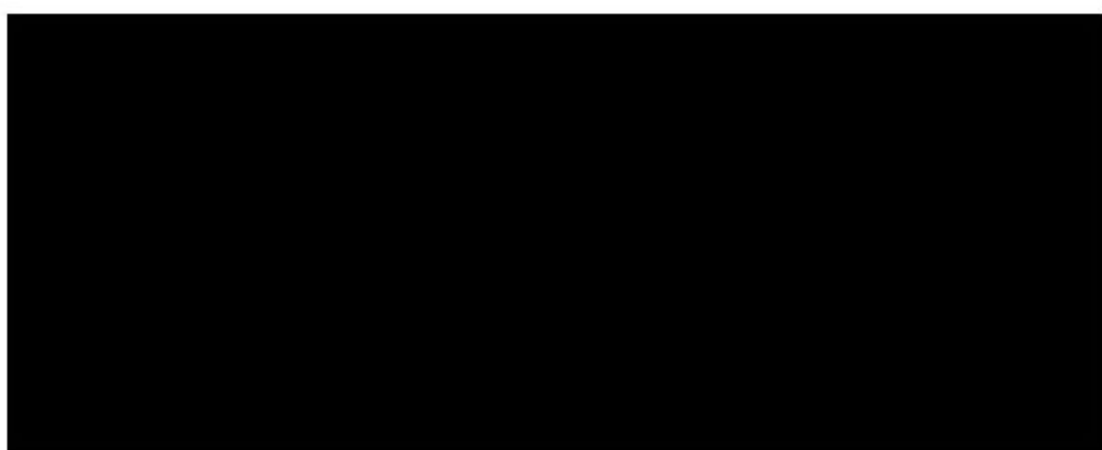

We write in accordance with the planning application procedure as agents of our clients Mr & Mrs Wilton, and to notify you that a planning application is being lodged for a new farm building on land, which forms part of your Farm Business Tenancy with Mr & Mrs. G. Wilton. We are required to serve this notice as part of the full planning application submission.

The proposed building will be sited near to the highway entrance on Ide Hill Road and will provide general purpose farm storage and on floor grain storage.

If you would like any details relating to the application, please do not hesitate to contact us.

Once the application has been validated with the local planning authority, it will also be able to view online at Sevenoaks District Council, should you wish to view the details online.

Yours faithfully,
