Dear Sirs

**ENVIRONMENTAL ASSESSMENT FOR A NEW SETTLEMENT INCORPORATING 4045 DWELLING  
HOUSES, BUSINESS LAND AND ASSOCIATED INFRASTRUCTURE AT LAND TO WEST OF  
NEWTONHILL, STONEHAVEN.**

Thank you for your letter of 29 March 2011 asking what information should be provided in the  
environmental statement for the proposed development at Newtonhill.

Environmental Impact Assessments are concerned with projects which are likely to have significant  
effects on the environment. HSE's principal concerns are the health and safety of people affected by  
work activities. HSE cannot usefully comment on what information should be included in the  
environmental statement of the proposed development. However, the environmental statements should  
not include measures which would conflict with the requirements of the Health and Safety at Work etc  
Act 1974 and its relevant statutory provisions.

Yours faithfully
