Mr Griffiths

I refer to the above application concerning the above development. The application is at the plotting stage and I regret that the location plan that you have sent does not show the site outline in red line.

Please could you provide a Location Plan at a scale of 1:2500 or 1:1250 with a scale bar has not been included. The boundary of the application site should be outlined in red, with any other land in the same ownership edged in blue. The Location Plan should include a North point, a road, road name and the nearest road junction.

Regards

Pratibha Dave
