Hi Ed

Thanks for the e-mail - that now works!

With regard to the area of land adjacent to 87 Barnet Road my Client will be removing the TPO Ash and some of the adjacent vegetation and small trees in September. As set out in the tree work application there are now no remaining TPO trees here. I am just confirming this with you prior to the work starting just in case you start getting phonecalls!!

If you should require any further information, or wish to discuss, please contact me.

Regards

Dave
