Subject: Newton Park, Mitford

Good afternoon,

I have submitted a planning application at Newton Park, Mitford, NE61 3SA. I attach a location plan of the site.

The Local Planning Authority have requested a scaled map showing the nearest public foul sewer connection point. Due to the rural nature of the property we have assumed that the property is too far from mains foul drainage and proposed a sewage treatment plant, please can you either assist me in providing a scale plan or an email stating that the proposal is too far from a sewer connection point to be feasible to connect?

Kind regards,

Jo Evans MRICS AssocRTPI
