### 23. Pre-application Advice

20/04/2021

Details of the pre-application advice received

The site is well connected to Chapel St Leonards itself with a footpath and road direct from the frontage of the site to nearby amenities. Conditions would be attached on any approval permitting the lodges for holiday use only and a seasonal occupancy restriction would be applied in accordance with SP19. Therefore, overall it is considered that the proposal generally complies with SP19 of the East Lindsey Local Plan. Moving on to the details of the scheme it is considered that in general design terms the scheme is acceptable and could provide an attractive scheme with the proposed dunes if carried out appropriately. However, there are a number of bungalows that adjoin the site to the south and the amenities of these residents needs to be carefully considered in accordance with SP10 of the East Lindsey Local Plan which seeks to protect neighbours from significant harm.

Yes  No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
