Dear Sally,

Thank you for highlighting this – apologies I accidentally put Ringwood Meadows instead of Ringwood Avenue in my earlier email. As you state the previous application reference (CHE/21/00137/FUL) was correct.

As you are applying to make a minor change to a householder application the fee will be £34.

I have copied Pat into this email so she can amend the fee quoted and also amend the mistake I made with the address.

Kind regards,

Hi Eleanor ,

Re : CHE/21/00137/FUL
28 Ringwood Avenue , Newbold , Chesterfield S41 8RB

Following our telephone conversation earlier today regarding the non material amendment for my application as above at the above address , you told me that a fee of £34 was payable for this to take place inclusive on both counts of the bricks and roof tiles.

I am forwarding the e mail I have received from Pat and her attached letter , which is asking me for £234 to be paid before the application can be considered.

I am sending this to you first as you put my address details incorrectly as 28 Ringwood Meadows , my original planning application reference number was correct, however , the incorrect address has been wrongly added by Pat , so i am not sure what has happened here, and was not expecting to be asked to pay £234.

Are you able to correct my address details that you gave on your e mail and advise what has happened, and confirm I should be only having to pay a further £34.

Thank you
Sally Sturgess.
