Hello,

RE: Non-material amendment to application CHE/21/00137/FUL at 28 Ringwood Meadows

Please could someone set up a new NMA application on the system for the above application.

The email chain below and attached photos are sufficient for the required information which seeks to make a minor change to the approved plans with slightly different facing brick and roof tiles

Application description – *'Non-material amendment to CHE/21/00137/FUL for minor change to approved materials'*

Once the application has been set up on the system could you please contact Ms Sturgess by email ([sallyrs977@gmail.com](mailto:sallyrs977@gmail.com)) or phone (07890502212) so she can arrange payment of the relevant £34 fee. The determination timeframe is 28 days which may need to be amended on uniform.

Thank you,

Hello planning ,

Thank you

Hello Eleanor ,

Re : Planning application CHE/21/00137/FUL

You were not in the office on Friday when I telephoned to inform you of my chosen building materials for my extension at 28 Ringwood Avenue, Newbold, S41 8RB.

Due to the limited supplies of building materials at the moment it has taken a while for me to find the stock , i am now confirming to you the bricks and roof tiles to be used for the extension.

The bricks are Forterra County Multi Rustic 73mm

The roof tiles are Breedon Double Roll Concrete in Anthracite, these being in keeping with the other bungalows on the avenue, in fact a similar one has recently been put on at no:8.

Photos attached above.

I have sent these details to you as you were dealing with my application , will you let me know if you have had to pass the details onto someone else , or if you are able to input the details, or you require any further information/ details before I go ahead.

My mobile no 

Thanking you,

Sally Sturgess.
