23 The Green is a bruk built Cottage located ine a Conservation Area in
Ashley. I am applying for planning permission as I have replaced an un-sightly metal wie mush fence with a 1800mm featherdse timber fence with timber posts and truper gravel boards. In the fence we have planted shrubs, and flowers which
broase up the appearance and make it pleasing on the eye. I work for broase up the appearance and make it pleasing on the eye. I work for an award winning Soft/herd landscaping company so all hois boen done an award winnings Soft/herd landscaping company so all hois boen done
to a very high Standard. Neishbouring properties have similar fencing as do others within
the conservation area We have had many positive comments from neighborer and others in the village

2. Statement of Significance 2(a) What research have you undertaken to understand the significance of the heritage asset(s) affected?

 Cambridgeshire Historic Environment Record Cambridgeshire County Archives Historic Maps Historic England Museum or Library Victoria County Histories Local Heritage Groups Conservation Area Appraisal (if available)

Other (please state)	

(Please include any research material as an appendix if relevant)

2(b) Using the information you have obtained provide a summary of the history of the site/building

Include details of how the site/building was originally laid out, how it has evolved, phases of construction and/or change. Also include information on past changes, for example previous extensions, drainage, former footings, landscaping, etc

(Please continue on separate sheet of paper if more space is required)

Conservation Area

2(c) What is important about the affected heritage asset(s)s (what is the significance)?

Use this section to describe the significance of the heritage assets identified in section 1. Please see p.4 of the guidance note about how to fill out this section. You can also find useful guidance at: https://historicengland.org.uk/advice/hpg/generalintro/heritage-conservation-defined
(Please continue on a separate sheet if required)
