Details of the pre-application advice received

I emailed CDC to ask if I needed to obtain planning permission and received the following reply:- Dear Rupert,  
Thank you for your email as set out below, I would also like to apologise for the delay in responding to you.  
To install a new, domestic sewage wastewater treatment plant you will need to apply for planning permission.  
I would therefore, encourage you to apply for a FULL planning application, I have attached a linked to the Cotswold District Council website where you will be able to apply for planning permission and find appropriate guidance on how to compile an application.  
<https://www.cotswold.gov.uk/planning-and-building/planning-permission/make-a-planning-application/>  
Please note, the above comments represent an individual Officer's opinion only and are not binding to any future decision that the Local Planning Authority may make.  
I hope the above explanation is of assistance.
