27. Pre-application Advice

The Principal Planning Officer, Dave Beighton, has confirmed that he has liaised with Senior Conservation Officer, Claire Johnson, who has advised that the removal of the brick panels is welcomed together with the introduction of flint panels. Whilst this would not result in a traditionally detailed flint wall with minimal brick piers but rather substantial brick piers and coping, it would be an acceptable compromise from a conservation point of view and would relate to the traditional flint wall which exists on the eastern boundary. It has been confirmed that an application for planning and listed building consent would be acceptable.
