Information Classification: CONTROLLED

Hi

Thank you for your email and documents however -

The Existing and Proposed Elevations should be labelled using compass points North(N) South(S) East(E) or West(W).

We have received the proposed elevations, we need the existing elevations to be re-labelled as well and then sent to us as an attachment to an email to:-

planning@cornwall.gov.uk quoting the above reference number.

Kind Regards

Sue Pettigrew

Unfortunately due to the influx of applications we have been receiving there is currently a delay in checking applications. The Validation Team are working hard to reduce the backlog and you can keep up to date with our current validation times here: [Make a planning application - Cornwall Council](#)

We are currently working at around 17 working days, therefore if your application was received within this period you will hear from us in due course.

Please note that if you submitted your application via the planning portal it can take up to 3 days to reach us. The receipt date will start when we receive the application from the Planning Portal and not the date the application was submitted on the planning portal. Thank you for your patience

Looking for a Planning Agent? See our [List of Accredited Agents webpage](#). If you are a planning agent and are interested in joining the scheme visit the [Accredited agents householder fast-track scheme webpage](#)

To keep up to date with changes in the Planning & Sustainable Development Service, please check "[What's new in Planning](#)" on the cornwall.gov.uk website.

Submitting an application for home improvements or tree works? You may wish to use an Accredited Agent because their applications are validated and registered swiftly, thereby streamlining the planning process. See our [List of Accredited Agents webpage](#) for more information. Alternatively if you are a planning agent and are interested in joining the scheme visit the [Accredited agents householder fast-track scheme webpage](#)
