Subject: Re: Invalid Planning Application 2021/1927

Dear Sirs,

Further to your recent email I can confirm as follows;

We agree to the amended proposal description, but would emphasise again for clarity this is for private use.

We attached Revised Drawing 04B and Drawing 05 showing the fence in elevation and section detail.

We trust this is sufficient to now validate the application, but if you require anything further, please do not hesitate to contact our offices.

Yours faithfully

Alex Bloss
