5. Description of the Proposal

Please note in regard to:

- Fire Statements - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. View government planning guidance on fire statements or access the fire statement template and guidance.
- Permission In Principle - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or view government planning guidance on determination periods.

Description

Please describe details of the proposed development or works including any change of use.

Proposed works include:

1. Conversion of the existing stable block into residential accommodation for assisted living/ end of life care.

5. Description of the Proposal

2. A single storey conservatory is proposed off the newly converted stable block.
3. A new four bay garage with lean-to garden shed to the rear.
4. A first-floor conservatory, en-suite and study is proposed over the existing garden room of the main house.
5. All existing windows are proposed to be replaced to match the existing for repair and sustainability purposes.
6. Existing swimming pool is to be filled in.

The property is off an unadopted track so not really visible from the main road. However, there is a public footpath / bridle way that runs alongside the boundary. There's a large hedge around it but technically it is visible from the foot path / bridle way.
