Dear Sir/Madam,

**Notification of Tree Work in a Conservation Area at 23 The Green, Ewell, Surrey**

**Tree work to trees in the rear garden:**

**Lawson Cypress (T1) - reduce height by approximately 4m to control size and reduce further shading of the rear garden.**

**Holly (T2) - sparse crown and encroaching into adjacent tree. Fell to approximately ground level.**

I acknowledge receipt of your letter on 9 August 2021 giving us notice that you intend to carry out the above work.

We have six weeks from the date of your letter to consider making a Tree Preservation Order on the tree(s). If by 8 October 2021 you do not hear from us, you may carry out the work as long as you do so within two years from the date of your letter and do no more work on the tree(s) than is set out in your notification. We will, however, aim to inform you of the outcome of your proposal before this date.

If you would like any further information about this letter or our procedures, please contact Customer Services on 01372 732000 quoting the reference number given above.

Yours faithfully,
