4. Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations? Yes No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

The existing layout of the dwelling is not practical, with the garden room not accessible from the main dwelling house. The proposed works are;

- Demolish the garden room and replace with a new single storey low pitched rear extension.
- Internal wall alterations to encourage use into new extension.
- New side extension to include a Utility and shower room.
- Internal alterations to the bathroom to provide a better layout.
- Existing mixture of crittal and uPVC windows to be replaced with light oak timber windows.
- Rear landscape to be altered to ensure level access throughout.

Please refer to enclosed drawings.

Does the proposal consist of, or include, a change of use of the land or building(s)? Yes No

Has the proposal been started? Yes No

5. Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The proposed rear extension will measure 7m x 3.3m, with an eaves height of 2.654m and an overweight roof height of 3.813m. This falls within the permitted development criteria for a rear extension. This proposal is to make better use of the existing garden room, which is only accessible externally due to being separate to the main house.

The proposed side extension will measure 2.6m x 4.3m, with an eaves height of 2.654m and an overweight roof height of 3.970m. This falls within the permitted development criteria for a side extension.
