

Block Plan
Scale 1:200

Do not scale from drawing all sizes to be checked on site with the existing structure. All structural elements subject to increase load to be exposed and examined for adequacy
All works are subject to Party Wall Act 1996

The Design and Management Regulations 2015 (Health & Safety Regulations) come into force in 2015 covering all domestic contracts employing more than one contractor (including sub contractors). It is now the responsibility of the principle designer to ensure the client or principle contractor has appointed has appointed a design coordinator to provide a plan. No works should commence until this plan is implemented.
