Subject: Heritage Statement in Support of Application P1452/21/FUL

Dear Planning Team

Please find attached the heritage statement requested in your 24th August letter (also attached).

You also asked to confirm the description you stated as:

'Raising of roof height to create first floor loft level to existing outbuilding and erection of a two storey extension with internal alterations and associated works. Demolition of existing storey extension'.

This application is to reinstate the original roof height and the first floor loft therefore perhaps a more accurate description is:

'Proposed refurbishment of existing outbuilding including reinstatement of roof to original two story height with internal alterations and associated works. Demolition and replacement of two storey side extension.'

Please get back to me if you have any queries relating to this statement.

Best Regards

Paul
