Hello

I am writing in regards to the above planning application, the applicant called yesterday and paid the Habitat Mitigation Fee but I want to let you know that the application remains invalid. I don't appear to have received the following:

- A section through of the proposed dwelling, this should be done to a scale of 1:50 or 1:100.
- The amended plan (where there is a door shown on the proposed ground floor plan that is not on the proposed rear elevation).

I look forward to hearing from you.

Regards
Jo Rahman
