

**Planning Application Statement**

**76a Durley Avenue, Waterlooville. PO8 8UZ.**

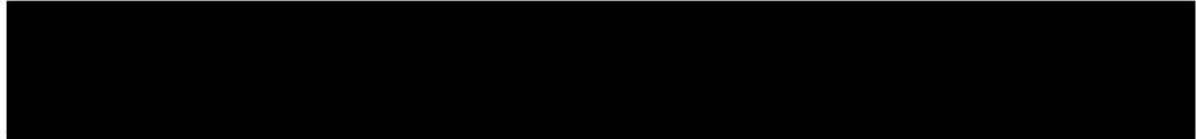

**Planning Portal ref: PP-10083653**

**Proposed new single storey front, side and rear extensions, two storey rear extension and new roof accommodation, following removal of existing extensions and 2nr. outbuildings; associated internal alterations.**

We set out below a brief statement, outlining the reason for the proposed development –

The single storey side extension is similar to the recently approved development under planning reference APP/20/01210.

  
The new swimming pool at ground floor level will be a therapy swimming pool.

  
At first floor level will be a home office and child therapy sensory tv room for their children.

The second floor level will accommodate two bedrooms and a playroom, to enable their daughters to have more space in sharing a room.
