

T1. LIMETREE, APPROX 40FT HIGH.
BRANCHES APPROX 10-12 FOOT LONG AND
OVERHANGING ROOF APPROX 4-5 FOOT.

SUGGEST BRANCHES ARE CUT BACK PROX
TO ROOF. CUT BACK 5-6 FT MINIMUM

ALSO RECOMMEND THAT ALL BRANCHES ON
T1 AND T2 ARE CUT BACK DUE TO
RESTRICTING LIGHT INTO PROPERTY.

NES KNIGHT ALSO REPORTS HEADING
THE BRANCHES RUBBING / SCRATCHING
AGAINST THE ROOF. ALSO CAN HEAR
SQUIGGLES OF CATS RUNNING
OVER THE ROOF.
