

EXISTING TERRACE STEPS NO.02: DETAIL SECTION A-A WITH REPAIRS/REBUILDING-1:20@A3

EXISTING STEPS NO.02 - URN AND PIER

- GENERAL NOTES:
- To be read with general location plan 9756-1 P(0)1000 and all structural engineers documents;
 - Existing Steps 02: Steps to formal rose gardens formed from 6 treads, with limestone kerbs, nosings and dressings to 2x brick piers. The steps are in a better condition than Steps 01, with no evidence of structural cracking or movement. However, localised areas of replacement to the limestone nosings and the treads are required. Complete repointing is required in lime mortar and the decorative urns are to be carefully taken down and securely reinstated.
