CA Ref. TGTC/Q 2453

27th August 2021

SITE ADDRESS: Hazledine Court, Longden Coleham, Shrewsbury, SY3 7BS

The aim of works is to keep the treeline behind the railings and reduce encroachment. This notification is aimed at establishing an agreement to be able to carry out the same works on a two yearly cyclical.

Rear garden, beyond railings, from right to left

- T7 **Sycamore** *prune back branches overhanging garden (by approx. 6ft)*
- T8 **Yew** *trim all over to reduce by approx. 2ft and then maintain at present size*
- T9 **Sycamore** *crown lift by approx. 5ft*
- T10 **Sycamore** *cut back overhang to previous pruning points (by approx. 1.5m)*
- T11 **Sycamore** *cut back overhang to previous pruning points (by approx. 1.5m)*
- T12 **Ash** *remove sucker growth at base and remove deadwood*
- T13 **Willow** *cut back regrowth to stump (by approx. 4ft)*
- G14 **Sycamore (x2)** *maintain at present size by crown reduction to previous reduction points*
- T15 **Willow** *large horizontal branch growing into Ash, remove upright small growth*

Tree works will be carried out in accordance with BS3998 where appropriate.
