Hi Pat

Thank you for the letter, I have look through at the scaling and i think it was 02 which was incorrect, it should have been 1:200 not 1:100. One thing I have noticed and hopefully you will be able to amend for me, on the application form i said the material is brick and it should say block and render. Can you amend for me to allow it to be validated.

Thanks

Good Afternoon Mr Hall

Please see the attached letter requesting additional information necessary to validate the above planning application.

Kind Regards

Patricia
