This is notification of intend tree works at the above.

Works proposed

Holly tree rear garden of 40 Burton Road - Owner Mr and Mrs Buckley see photograph - reduction in height by approximately 1m and shortening of tertiary branches by .5m to maintain at an appropriate height for the garden and to remove conflict with overhead telephone lines.

Multi stemmed Lilac tree front garden of 42 Burton Road, Owner Alan Hemingway - remove to ground level - the tree has outgrown its position and dominates the small front garden - the crown is in decline with dead sections and is heavily infested with ivy. See photographs
