Comment Details

Commenter Type: neighbour letter

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Our bungalow [REDACTED] directly backs on to 35 Faesten Way. Only bungalows back on to our property so we have always had complete privacy to our [REDACTED] bedrooms. If this application is granted we will lose such privacy and it is for that reason alone that we strongly object to the plans submitted by the owner. It should be noted that in this particular section of Faesten Way it comprises only of bungalows and no other loft extensions appear to have been permitted.
