

LANDSCAPING DETAILS

FOR THE APPLICATION FOR PRIOR NOTIFICATION OF AGRICULTURAL OR
FORESTRY DEVELOPMENT - EXCAVATION/WASTE MATERIAL

CONCRETING AN AREA OF EXISTING FARMYARD MEASURING 355m²

AT LOWER FARM, LOTTISHAM LANE, LOTTISHAM, GLASTONBURY, BA6 8PF

FOR J & D BOARD & SON

- The proposed works will involve covering an area of existing farmyard with reinforced concrete. A base will be constructed of compacted and blinded hard-core with 150mm of concrete over. This will improve the access for farm machinery and help prevent run-off and leaching.
