PLEASE QUOTE REFERENCE ON ALL CORRESPONDENCE

Dear Sir/Madam

TOWN AND COUNTRY PLANNING ACT 1990 (as amended)

Application No: CC/TEN/40/21

Proposal: Provision of concrete hardstanding to provide 50 car parking spaces and 130 security bollards within the confines of existing car parking area

Location: Tendring Education Centre, Jaywick Lane, Clacton On Sea, CO16 8BE

I write to request your formal observations on the above application which can be viewed at <https://planning.essex.gov.uk> using the full number detailed above.

Representations can be made via email to mineralsandwastedm@essex.gov.uk or in writing to the above address.

Your reply will be taken into account by the County Council in determining the application, so will be made available to the public under the requirements of the Local Government (Access to Information) Act 1985 (as amended).

Your observations on the application are invited within 21 days (excluding public holidays) from the date of this letter. In view of the limited statutory period in which an application should be determined I regret that if no reply is received within the time specified I must assume you have no observations to make.

I am consulting the relevant Town or Parish Council(s) direct, with a request they forward to you a copy of any comments made to me in response.

Arrangements have been made to publicise the application by posting of notices on site, by local press advertisement, if appropriate, and direct neighbour notification.

The County Council's Development and Regulation Committee has adopted a new scheme to enable members of the public and District and Parish Councils who have submitted a written representation as part of the consultation process to address the Committee on applications. However the number of speakers permitted to address

the Committee is limited and anyone wishing to speak must contact the Committee Officer by 5pm on the Tuesday before the day of the Committee.

In the case of District and Parish Councils, the procedure allows for the District/Borough Council to speak on behalf of the relevant Parish Council unless that Parish Council's view is different, in which case the Parish Council may also speak. However it is for those Councils to liaise with one another in order for them to identify which one will address the Committee on a particular application.

In the meantime if it is likely that your Council might wish to address the Committee please contact the Committee Officer as soon as possible for the full written details of the procedures. The Committee Officer can be contacted on 03330 134583.

For details on how information will be used and held by ECC please see the County Planning Privacy Statement at <https://www.essex.gov.uk/county-planning-privacy-notice/>

Yours faithfully

Graham Thomas - Head of Planning Service
