Dear [REDACTED]

## Grange Farm, Hargrave

I am disappointed that we have not had the opportunity to review the last proposals that we submitted in respect of the proposed development at Grange Farm Hargrave, but having considered the reasons for refusal and your officer's report on the application, we have now amended the scheme to address all of the various issues which you identified. I enclose herewith a further planning application for your consideration. Enclosed with this letter are completed application forms, together with a disc containing revised plans and an updated planning justification statement. In view of the fact that this is a resubmission of an application following a refusal, [REDACTED]

I hope that in this instance, if you identify any particular issues with the application, then we will have an opportunity to discuss these and potentially resolve them before you make a determination. If there is anything else you need to assist you in consideration of this application then please let me know.

Yours sincerely
