**SUBMITTED VIA PLANNING PORTAL**

Dear Sir or Madam,

**Proposed upgrade of a shared electronic communications Base Station at Strathclyde Police, 6 Baird Street, Glasgow, Scotland, G4 0EZ.**

This is a full planning application, and is in accordance with the Electronic Communications Code (As amended), and the Town and Country Planning (Scotland) Act 1997 (As amended), for permission for the development of:

The installation of 3no rooftop tripods accommodating 6no antenna apertures (2no antenna apertures per tripod), with a top height of 23.45m; 2no pole-mounted transmission dishes; and the installation of 7no equipment cabinets; plus ancillary development thereto, at Strathclyde Police, 6 Baird Street, Glasgow, Scotland, G4 0EZ (NGR: E260107, N666309).

As part of this proposal, 3no existing pole-mounted antennas, and their supports, will be removed.

The upgrading of this base station will improve existing connectivity and capacity on the EE and H3G mobile networks, as well as provide brand-new 5G coverage to the area.

The application comprises:

- Planning application form and certificates;
- Full Planning Application covering letter;
- Location plan drawn to a scale of 1:1250, with the site outlined in red, drawing reference: '002 Site Location Plan, Rev C';
- Site plans, drawings referenced: 100 'Existing Site Plan', 150 'Existing Elevation Plan', 215 'Proposed Max Configuration Site Plan' and 265 'Proposed Max Configuration Site Elevation'.
- ICNIRP declaration;
- Prescribed fee of £401;

For your further assistance, we enclose the following additional information: -

- Supplementary Information template;
- 5G and Future Technology;
- DCMS & MHCLG Connected Growth Manual;
- Digital Scotland 'Forging Our Digital Future With 5G';
- Mobile UK – Health Fact Sheet;
