Dear Sir/Madam

I refer to your application regarding the above, which was submitted to the Planning Office on 27 September 2021.

I regret to inform you that your application is invalid and cannot be registered unless and until the outstanding matters below have been satisfactorily addressed:

- 01.   Please submit an amended version of your electronic submission with the key dimensions annotated on Drawing number 21-09-02 DD01 i.e. dimensions of the proposed solar panels. (This is required in our guidance notes as PDF files cannot be accurately scaled when viewed online and so written dimensions need to be shown instead).**

Your application will be retained until 1 November 2021. If at the end of that period, the above matters have not been addressed, the application will be returned to you.

Please note that any documents or plans required above must be submitted online via eplanning (<https://www.eplanning.scot/ePlanningClient/>) using the Post Submission Additional Documents (PSAD) form. Please submit documents in a PDF format.

Yours faithfully
