Dear Sir / Madam

Thank you for your letter of 15th September 2021.

In response to your request for additional information regarding the crown lifting of the Walnut tree, we are applying to lift the crown to clear the garage roofs and to prevent the obstruction to traffic and pedestrians. This will involve lifting the crown by approx. 4.5m.

Please find three photographs attached. These show the current state of the crown and its effect on garage roofs and the adjacent street.

Yours Faithfully
