Dear Sir,

Replacement windows, Flat 2/1, 32 Kingsborough Gardens, Glasgow.

I confirm having submitted Planning and Listed Building Applications in respect of the proposed replacement of existing single glazed sash and case windows on the above property.

The client wishes to replace these with identical timber sash and case windows with slim fit double glazing units.

The proposed supplier and fitter is Woodwise, 155A Queen Margaret Drive, Glasgow G20 8XU who I understand has previously fitted similar windows in the same area.

Should you require any further information please contact me.

I look forwards to hearing from you in due course.

Yours faithfully,

Kenneth Robertson
