5th Oct. 2021

Dear Ian Davidson,

Regarding Application

No 21/01589/FULHH, I am concerned about the replacement of the garage. If the existing garage were to be demolished and a new garage built towards the road (the north) this would cut out light to my kitchen and present an unwanted view.

Yours Sincerely,

(R. Blackwell)

P.S. I would like to see plans of the remainder of the proposals.

Tendring
District Council
