Sorry for the inconvenience in relation to this matter.

Subject: PP-10286151 - ROSE COTTAGE, 14a main street, clopton

Dear sirs
I have just submitted a householder application (pp ref as above) for a property at 14a main street Clopton. The property name is actually 'rose cottage'. As this has been submitted via the planning portal I cannot add the name Rose Cottage to the application. Could you please ensure this is done when you register this application.

Kind regards
Ian
