Morning

Please find attached the map and postcode of property this cottage is in the garden of Millichope cottage

The trees are to be crown lifted to a height of 20 feet at the end of the house to allow light into the property

Kind regards Oli

Hi Oli

You should have by now received a few emails off me today regarding the 4 applications you submitted, including the one at Millichope Cottage which we need further information on.

Please also note it is time consuming when we are validating applications that have incorrect postcode provided, please ensure the information you provide is clear and correct.

Look forward to hearing from you with regards to Millichope Cottage as soon as possible.

Kind regards

Please note I am a part time member of staff and therefore please email trees@shropshire.gov.uk for all enquiries.

We are currently experiencing an unusually high number of enquiries. Please be aware that there may be some delay in response to enquiries that do not relate to issues of tree safety. If you are able to attach photographs of your enquiry that may help us deal with it more readily. Thank you for your understanding.
