Employers Liability Tracing Office Information

When a claimant has suffered from an injury or disease caused at work, the process of tracing the Employers Liability insurer for the employer at the specific time the incident occurred has sometimes been problematic. The Employers Liability Tracing Office (ELTO) has been created to identify the relevant insurer quickly and efficiently.

ELTO is an independent industry body whose aim is to assist claimants finding the insurer of their former employer when seeking to claim compensation for a disease / injury caused at work. The relevant information will be stored on a central database which can be searched by interested parties.

The database will be managed by ELTO and further information can be found on the ELTO website www.elto.org.uk

Allianz Insurance plc is a voluntary member of ELTO and is committed to providing the relevant EL policy information to the central database.

The majority of information for the database comes from policyholder information we already hold. However, two additional pieces of information are required to improve the prospects of a successful trace:

- The Employers Reference Number (ERN)
- The name(s) and ERN(s) of any subsidiary companies insured under the same policy.

An **ERN** is given to every business that registers with HM Revenue and Customs (HMRC) as an employer. It is a unique set of letters and numbers used to identify a firm. It is commonly referred to on tax forms as the Employer PAYE Reference. In a minority of cases a business may be ERN exempt, where the employer pays **all** their employees below the current PAYE threshold.

A business will have a **subsidiary** if it controls another company, or if the business owns more than half the stock of another company.

If your policy includes Employers Liability cover we will require this additional information from you and your insurance adviser will be collecting it on our behalf.

From April 2011 we will begin to submit the additional details, together with information we already hold, to the database. From April 2012 this will be a regulatory requirement for each policy providing Employers Liability cover.

Should you have any queries please do not hesitate to contact your insurance adviser.

All rent and legal costs will be recovered through deposit held and any shortfall will be claimed through the court of law.

5.4 Suspension of Rent

5.4.1 If the Premises or any part of it shall at any time during the Term be destroyed or damaged by any risk that the Landlord is obliged to insure against under the terms of this agreement, the Rent (or a fair proportion of it by reference to the nature and extent of the damage) shall cease to be payable for so long as the Premises or any part of it remains unfit for use, provided that this shall not apply if the relevant policy of insurance is rendered void or avoidable, or payment of the whole or part of the insurance monies is refused, in consequence of some act or default on the part of or suffered by the Tenant.

5.5 Notices

5.5.1 Any notice or other document to be served on either of the parties under the terms of or in connection with this agreement shall be sufficiently served if it is left or delivered at, or sent by 1st class post or by recorded delivery addressed to:

- (a) The address of the party to be served as specified in the Tenancy Particulars; or
- (b) Such other address as may from time to time be notified in writing to the other party; or
- (c) (in the case of any notice which is to be served on the Tenant) the Premises.

5.5.2 Any notice or document of the kind referred to in this clause if sent by normal 1st class post or by recorded delivery, addressed as required above, shall be deemed to have been sufficiently served 48 hours after the time of posting (unless returned by the Post Office undelivered).

5.6 Abandonment

5.6.1 If it comes to the attention of the Landlord that the Premises have not been occupied by the Tenant for more than 21 days and the Tenant has not given the Landlord notice in accordance with clause 3.6.4 above, and if, following further investigation by the Landlord, the Landlord forms the belief, and has reasonable cause to believe, that the Tenant has ceased to reside at the Premises, the Landlord may treat the Premises as being abandoned by the Tenant and re-enter the Premises and thereby bring this agreement to an end. Such entry by the Landlord will not affect any right or rights the Landlord may have against the Tenant in respect of any subsisting breach by the Tenant of the Tenant's agreements and obligations under this agreement as at the date of the re-entry

5.7 Data Protection Act

The tenant(s) hereby consent the landlord and or landlords agent have authority To carry out credit checks and at any time throughout the period the tenant (s) have possession of the premises.
