Built Heritage Advice

Dear Sir / Madam,

RE: Shirburn Mill, Mill Hill, Lawford, Manningtree, Essex, CO11 2JZ

Built Heritage Advice pertaining to an application for: Variation of condition 16 of 18/00096/FUL, to state 'Prior to commencement of any above ground works to Shirburn Mill' instead of 'Prior to commencement of any works to Shirburn Mill'.

The development concerns the Grade II listed Shirburn Mill House (List UID: 1261404) and Shirburn Mill (List UID: 1254184).

The development also relates to the application 18/00097/LBC at the same site.

Condition 16 of 18/00096/FUL does not concern the above ground historic built environment and as such I have no comments pertaining to the revision of wording. I believe this condition is for the attention of the Local Planning Authority's ecological consultant and archaeologist.

The consultee archaeologist may wish to be consulted on this application regarding the proposed commencement be way of trench excavation.

Yours sincerely,

Hector Martin PCIfA
