No allowance has been made for structural requirements, Engineers to design structure at Building Regulations Stage.

scale as indicated @ A1

All details shown on this drawing are based upon typical site conditions related to the area.
No responsibility can be accepted for abnormal conditions unless reported to Pollard Architectural Ltd, so that design amendments may be considered.

Plans and Notes contained herein are for Planning and Building Regulations Approvals only. Plans and Notes are offered only as a guide to the Contractor, variations and alterations must be approved with Building Control.
All figured dimensions are in millimetres unless otherwise stated.

The Builder/Developer will be ultimately responsible for ensuring that all construction is in accordance with the Approved Planning Permission and Building Regulations including any Conditions, relevant Trade and Professional Standards, Statutory requirements and product manufacturers' specifications, British Standards and Codes of Practice.

Position of all existing boundaries, walls, utilities, drains etc. (particularly in relation to the building) to be checked on site before start of any construction or ordering of any materials.

N.B. The "owner" of the building to which this application relates carries the legal responsibility for any Building Regulation Faults
