21/1650/1 Proposed Plans (Received 15/09/2021)

21/1650/3 Location Plan and Proposed Sections (Received 15/09/2021)

2. This written notice indicates that the proposed development would comply with condition A.4 of Schedule 2, Part 1, Class A of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended). It is important to note that this written notice does not indicate whether or not the proposed development would comply with any of the other limitations or conditions of Schedule 2, Part 1, Class A. If you want confirmation that the proposed development would be lawful (e.g. on the basis that it would comply with all of the limitations and conditions of Schedule 2, Part 1, Class A), then you should submit an (optional) application to the Local Planning Authority for a Lawful Development Certificate (LDC).

3. It is a requirement of the above condition A.4 that the developer shall notify the Local Planning Authority of the completion of the development as soon as reasonably practicable after completion, and that this notification shall be in writing and shall include (a) the name of the developer, (b) the address or location of the development, and (c) the date of completion.

4. All external fascias, materials, treatments and finishes (other than materials used in the construction of a conservatory) of the proposed new work shall match existing house.

Notice of intention to demolish existing buildings must be given to the Council's Building Control Service at least 6 weeks before work starts. Notification and agreements under this Act are the responsibility of the building owner and are quite separate from Building Regulations, or Planning Controls. The Building Control Service will assume that an applicant has obtained any necessary agreements with the adjoining owner, and nothing said or implied by the Council should be taken as removing the necessity for the building owner to comply fully with the Party Wall Act. Further information and advice is to be found

in "The Party Walls etc. Act 1996 - Explanatory Booklet".

Notes for the applicant

This prior approval relates only to planning legislation. It is your responsibility to seek authorisation required under other legislation. Please contact Customer Services on 01372 732000 for further advice.

In particular, Building Regulations approval may be required for this work. Applicants are advised to contact the Building Control Service at the Town Hall, Epsom, (telephone 01372 732000) to ascertain whether it is necessary for permission to be given under the building regulations.

Attention is drawn to Section 20 of the Surrey Act 1985 which requires that when a building is erected or extended, proper provision shall be made for the fire brigade to have means of access to the buildings and any neighbouring building.

Appeals to the Secretary of State

If you are aggrieved by the decision of the local planning authority to refuse permission for the proposed development, or to grant it subject to conditions, then you may appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990 within the following timescales:

Prior approval

As this is a decision for prior approval and you would like to appeal against the local planning authority's decision then you must do so within 6 months of the date of this notice.

Appeals must be made using a form which you can get from the Secretary of State online at <https://acp.planninginspectorate.gov.uk> or by writing to Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (tel: 0303 444 5000).

The Secretary of State can allow a longer period for the giving of a notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the

proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order, and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. [Further details are on GOV.UK](#)
