

Architectural section drawing of a two-story house. The drawing shows the internal layout and structural details, including walls, floors, and roof structure. Key areas and annotations include:

- Roof:** Trusses shown individually.
- Second Floor:**
 - En-suite
 - Bedroom
- First Floor:**
 - Study
 - Lobby
 - Dining
- Garage:**
 - existing external walls lined
 - floor installed in garage
 - opening formed to garage
- Structural Details:**
 - partition removed
 - single door removed and filled in
 - window replaced with patio doors
 - existing patio replaced with decking
 - ventilated column void

This architectural section drawing illustrates the internal layout and ventilation details of a two-story house. The ground floor includes a Proposed Lounge, Lobby, and Proposed Kitchen/Dining/Sitting area. The first floor features an En-suite and Bedroom. The roof structure is shown with trusses. Ventilation details are highlighted with pink boxes and labels, including 'Drg. AA000001 Detail 01' and 'Drg. AA000001 Detail 02'. The drawing also shows a 'ventilated eave void' and 'ventilated soffit void'.

This architectural section drawing illustrates the internal structure and layout of a two-story house. The drawing includes the following details:

- Roof:** A gabled roof with a central ridge and rafters. A label "Rafters shown indicating" is placed near the center of the roof.
- First Floor (Ground Floor):**
 - Lounge:** Located on the left side, featuring a large double door.
 - Dining:** Located in the center, featuring a double door.
 - Kitchen:** Located on the right side, featuring a window and a red hatched area labeled "Kitchen redesigned".
 - Structural Elements:** Two vertical load-bearing partitions are shown, each labeled "load bearing partition removed" in red. A central vertical element is labeled "ventilated eucalyptus wall".
- Second Floor (First Floor):**
 - Bedroom:** Located on the left side, featuring a window.
 - Store:** Located in the center, between the two bedrooms.
 - Bathroom:** Located in the center-right, featuring a window.
 - Bedroom:** Located on the right side, featuring a window.
- Foundation and Ground Level:** The drawing shows the foundation and ground level with a cross-hatched pattern. Labels "FFL +0.100" and "FFL +0.200" are visible on the right side, indicating different floor levels.
