Is the proposed operation or use

Permanent Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The proposed extension will be useful as a dining room for our family in a way to give more privacy for us at existing living room. Currently we are using the living room (5.5 metre by 3.2 metre) as a combine living and dining room. As a family of 4 with 2 kids (15 years old and 6 years old), we need additional space for kids since the house only consists of 2 double bedroom and 1 small single bedroom. The new proposed extension will create great space when we have family/friends visiting us.

6. Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

Yes No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

Yes No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
