Our Ref: 20/A4269/NON

Dear Sir/Madam,

The Willows Water Stratford Road Water Stratford Buckinghamshire MK18 5DU
Proposed non-material amendment to permission for (Demolition of conservatory, erection of single storey extension to form garden room, extension to kitchen and conversion of garage to form living accommodation) relating to 20/04269/APP

Thank you for your application, which was registered on the 25th October 2021. I also confirm that I have received a fee of £34

The application is being dealt with by Faye Hudson and if you wish to enquire as to its progress, you should contact him/her. Alternatively you may wish to follow progress by visiting our website (address at the bottom of the page) and following the links under "I want to" then "Find a Planning Application". Please note, it can take several working days before the documents are available online.

If I have not sent you a decision by 22nd November 2021 and you have not agreed to extend the period for us to make a decision, you then have a period of 6 months in which you can lodge an appeal with the Planning Inspectorate online at <https://acp.planninginspectorate.gov.uk> or on a form available from Initial Appeals, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN. It is not always possible for us to deal with applications within the period given and you may wish to contact us before proceeding further as, once an appeal is lodged, we cannot determine the application. Please note, it can take several working days before the documents are available online.

We can refer certain types of application directly to the Secretary of State for the Environment. I will let you know if this happens to your application. I will also contact you again if, for whatever reason, we cannot deal with your application if it is of a type that can only be dealt with by the County Council.

To ensure our records are always up to date, please let us know if you change your postal or email address.

Yours faithfully,

The Business Support Team
