Hi Lucy,

We spoke at the end of last week regarding my attempt to upload the additional drawings via the portal and you suggested I email them directly to the Planning Department.

I have attached all of the drawings which were submitted with both the original application and following the letter dated 27th August.

The copy of the Planning Permission application form saved after submitting it to the portal says "draft application (not valid for submission)". Do you still have the original copy of the planning submission or would you like me to copy it out onto a blank form?

Please let me know if I have missed anything or you need any further information.

If your colleagues want to contact me regarding payment my details are: email [REDACTED]

Very many thanks for your assistance.

Kind regards,

Tracey Pockett
