Dear Sirs,

Please find attached a planning application form duly completed for your attention.

Planning permission was originally granted back in 2009, however the work was never started and the permission has expired.

This application is a straight forward duplication of the original, and I attach the following documents for your reference:

- New application form duly completed dated 27/10/2021
- Confirmation of fee payment of £206.00 made 27/10/2021
- Original application form dated 17/03/2009
- Copy of the original approved plans
- Decision note dated July 2021
- Delegate decision report dated July 2021

I trust this information is sufficient for you to consider the application, however should you require additional details, please do not hesitate to contact me by email or telephone.

I look forward to hearing from you.

Kind regards,

Duncan Coulson
