Dear Sir/Madam

**BUILDING REGULATIONS 2010**

**Reference:** 17/00307/DEX

**Proposal:** Alterations and additions to house.

**Location:** 40 Douglas Road Clacton On Sea Essex CO15 3JT

I refer to the above application which was deposited on 6 January 2017.

According to our records these works have not been commenced and I am therefore writing to inform you that the application has been revoked.

Should you wish to carry out these works, a new application will need to be submitted and approved.

You should contact this office if all or any of the works have been carried out, as this may affect any future sale of the property because the statutory inspections have not been carried out nor a Completion Certificate issued.

Yours faithfully
