Dear Sir/Madam:

**REGARDING BUILDING WORK UNDERTAKEN AT FARM GATE FRESH POULTRY AT FIVE WAYS ROAD,
SHREWLEY, WARWICK, CV35 7HZ**

I can confirm that my company was employed by Mr A Audhali in March 2009 to erect an agricultural storage building to the west of the existing complex at Farm Gate Fresh Poultry, as indicated in red on enclosed site plan.

I can confirm that work commenced on the erection of the building in March 2009. The works undertaken involved the laying of several concrete pads to support the building.

Following the laying of the concrete pads, we were instructed to cease all work. No further work was undertaken thereafter.

Yours faithfully,

A large black rectangular redaction box covering the signature area.

Steve Edwards
