

- Denotes out of hand ELDER in tree and bush form together with prolific brambles, hawthorn and general scrub. All to be removed
- Denotes mixed hawthorn hedging, brambles, Elder in tree and bush form intermixed with the odd Field Maple - all to be retained
- Denotes mature trees, one magnificent oak by the entrance from Waltham Rd & reasonable Ash tree which should improve with the removal of aggressive growth noted as being removed. To be retained
- Denotes the only mature tree for proposed removal that being an Ash

Note all other trees and vegetation upon the whole site remain untouched
